

TRẦN ĐOÀN ĐĂNG KHOA

7/11B Phạm Hùng, P4, Q8, TP.HCM · 0902687911

testtran123@gmail.com

I am a third-year student at the Ho Chi Minh City University of Education and am available for an internship. My major is software engineering. To describe myself, I believe that I could be an honest person who would try to balance all the relationships while keeping my willingness to learn from others and better myself. With all my determination and effort, I would complete all the assigned tasks and train me to become an excellent programmer in the future

EXPERIENCE

2020 TO 2022

INTERNSHIP, BSM SOFTWARE

2019 TO 2020

COLLABORATOR, PALLEXY COMPANY

EDUCATION

HO CHI MINH CITY UNIVERSITY OF EDUCATION
